OVER 30 NEW CLASSES INSIDE!
Treat Yourself This Summer!

The sky is clearing and the Popsicle molds are looking oh so tempting—summer is on the horizon! In honor of the warmer season we’ve planned an array of classes that take place outside, whether you’d like to learn more about the Nature and Natural History of Whatcom County, spend time outdoors with Plein Air Writing or Plein Air Painting at Waypoint Park, capture the sunset over the bay in Woodstock Farm Photo Walk, or explore local art in our road trip to the outdoor Matzke Sculpture Park & MoNA.

Our summer Kids’ College registration opened in April, and we’re excited to see all the students already enrolling! We’ve added a long-awaited addition to our popular Hogwarts Satellite School with Care of Magical Creatures, along with many new Art and Cooking classes for a variety of ages. Our Black Rocket Digital Arts offerings this year include Code Your Own Adventure! Interactive Storytelling, and Roblox® Makers, where students will learn how to create 3D models and animations. Our Summer Programs for Teens include past favorites such as Self-Defense for Teens and new classes such as Nature Writing and Journaling for Teens.

Whether you are 6 or 96, treat yourself to a learning adventure this summer!
Hogwarts with Professor Goforth

Hogwarts Satellite School
Have you dreamed of attending Hogwarts, but England is just too far away? This is your opportunity to get a jumpstart on many of the subjects taught at Hogwarts! Our Satellite School’s headmistress, Professor Goforth, will provide an introduction to First Year subjects including Herbology, History of Magic, Potions, Arithmancy, Divination, and Ancient Runes. Class projects will yield take-home results including a magic journal, herbology charts, and much more. $50 materials fee payable to instructor at class (checks only). Bring a sack lunch each day; all other materials and snacks will be provided. Designed for ages 8-14.

Section A
H8147 / 3 sessions $129
10:00 AM - 3:00 PM M/TU/W: 7/8 - 7/10
Goforth WCC - Foundation 105

Section B
H8153 / 3 sessions $129
10:00 AM - 3:00 PM M/TU/W: 7/29 - 7/31
Goforth WCC - Foundation 105

Return to Hogwarts: Second Year Studies
Your magical education with Professor Goforth continues as we study advanced curriculum in the subjects of Divination, Astronomy, Defense Against the Dark Arts, Potions, Herbology, and more. $35 materials fee payable to instructor at first class (checks only). Bring a sack lunch each day; all other materials and snacks will be provided. Students must have completed the first year Hogwarts Satellite School. Designed for ages 8-14.

Section A
H8249 / 2 sessions $89
10:00 AM - 3:00 PM TH/F: 7/11 & 7/12
Goforth WCC - Foundation 105

Section B
H8252 / 2 sessions $89
10:00 AM - 3:00 PM TH/F: 8/1 & 8/2
Goforth WCC - Foundation 105

Care of Magical Creatures
Join Professor Goforth for a special addition to your magical education as you immerse yourself in the Care of Magical Creatures. You’ll work on a variety of in-class projects, including your own Monster Book of Monsters, a dragon egg, bowtruckle, nest, and even create your own magical creature! Students must have completed the first year Hogwarts Satellite School. $45 materials fee payable to instructor at first class (checks only). Bring a sack lunch each day; all other materials and snacks are provided. Designed for ages 8-14.

Section A
H8144 / 5 sessions $199
10:00 AM - 4:00 PM M/TU: 6/24 - 6/26
Goforth WCC - Foundation 105

Section B
H8150 / 5 sessions $199
10:00 AM - 4:00 PM M/TU: 7/1 - 7/3
Goforth WCC - Foundation 105

Pioneer Days
Do you love the American Girl and Little House on the Prairie books? Have you ever wanted to learn about pioneer life? Join us and learn a wide range of crafts from the pioneer and colonial periods! We’ll learn how to churn butter; make a quill pen, a corn husk doll, jam, candles, and a nine-patch doll quilt. We will also spend time working on fiber-related crafts including spinning, weaving, and other terrific arts related to this time period. Materials fee covers items made in class, as well as lots of supplies and tools to take home to continue your new hobbies! $55 materials fee payable to instructor at first class (checks only). Bring a sack lunch each day; class size is limited, so register early! Designed for ages 8-15.

H8237 / 3 sessions $155
10:00 AM - 4:00 PM M/TU/W: 7/1 - 7/3
Goforth WCC - Foundation 101K

See Page 27, call 360.383.3200, or register online at whatcom.edu/kidscollege
**KIDS CAN COOK!**

All classes designed for ages 6-10

**New! Creating Comics**
Discover how to share your stories and bring your characters to life through the fascinating art of comics! Illustrator Rémy Coutarel will teach you all about character design, perspective drawing, storyboarding, lettering, print imposition, and inking techniques. On the last day you'll be in the computer lab learning all about digital colorization. By week’s end, you’ll have the tools to keep creating your own comics. All materials included in course fee; an artist brush pen will also be yours to keep. Designed for ages 7-12.

H8058 / 5 sessions  $99
9:00 - 11:00 AM M/TU/W/TH/F: 7/29 - 8/2
Coutarel  WCC - Foundation 201C

**See also:** The Art of Drawing Animals (ages 12-17), page 8

**New!**

**The ABC’s of Drawing Animals**
Come discover how to combine the elements of art to create three animals: Avians of the air, Beasts in the backyard, and Creatures of the sea. You’ll learn valuable drawing skills to create each creature and develop the skills for drawing your own! All materials included. Class size is limited, so register early! Designed for ages 7-12.

H8288 / 4 sessions  $79
12:30 - 2:00 PM M/TU/W/TH: 7/8 - 7/11
Coutarel  WCC - Foundation 101K

**See also:** The Art of Drawing Animals (ages 12-17), page 8

**New!**

**Matisse Plates**
Study the art of plate making and design your very own set of ceramic plates in WCC’s Roe Studio! You will learn clay handbuilding techniques to create your plates, and then use underglazes to add color and design with cut-outs inspired by artist Henri Matisse. Project pick-up information provided in class. All materials included. Class size is limited, so register early! Designed for ages 7-12.

H8204 / 4 sessions  $89
10:00 - 11:30 AM M/TU/W/TH: 7/15 - 7/18
Coggins  WCC - Roe Studio

**See also:** Matisse Plates (ages 12-17), page 8

**New!**

**Summer Road Trip Eats**
Road trip! In this two-day camp, we’ll explore special dishes from all over the United States, while featuring ingredients from the Pacific Northwest. Learn to make Southern fried chicken and slaw sliders, New England popovers and veggie chowder, Southwestern bean burritos and Navajo fry bread, and Midwest-inspired chili-topped spaghetti and soda floats.

H8192 / 2 sessions  $65
11:00 AM - 1:00 PM TU/W: 7/9 & 7/10
Dunn  Downtown Co-op Connections Building

**New! Dough, Dough, and More Dough**
What could be more fun than playing with a ball of dough? In this two-day camp, we will make fresh pasta dough, yeasted pizza dough, cookie dough, shortbread tart dough, and savory street food-style hand pie dough. We’ll knead and roll our way to plates of delicious baked goods!

H8183 / 2 sessions  $65
11:00 AM - 1:00 PM TU/W: 7/16 & 7/17
Dunn  Downtown Co-op Connections Building

**New!**

**Color with Water**
Let’s experiment with how colors flow with water! Using different brush techniques, we’ll work in watercolors to experiment with lines, shapes, and color mixing. We’ll also create textures with string and salt to paint interesting designs both realistic and abstract. All materials included. Class size is limited, so register early! Designed for ages 7-12.

H8054 / 4 sessions  $85
12:30 - 2:00 PM M/TU/W/TH: 7/29 - 8/1
Coggins  WCC - Foundation 101K

**See also:** Color with Water (ages 12-17), page 9

**See also:** Matisse Plates (ages 12-17), page 8

**New!**

**Art Explorations**
Come explore three different styles of art—realistic, abstract, and non-objective—and the differences between them. We’ll examine the works of Rembrandt, Edgar Degas, MC Escher, and Jackson Pollock and discuss each artistic style. You’ll then be inspired to create your own design working in pencil, color pencils, and oil pastels. All materials included. Class size is limited, so register early! Designed for ages 7-12.

H8015 / 4 sessions  $79
10:00 - 11:30 AM M/TU/W/TH: 7/22 - 7/25
Coggins  WCC - Foundation 101K

**See also:** Art Explorations (ages 12-17), page 9

**New Recipes!**

**Science in the Kitchen**
By popular demand, we’ll be back in our kitchen laboratory for two days of new experiments highlighting the amazing scientific properties of food. We’ll turn juice into noodles, make our own cheese, have tea with yeasted crumpets, and make homemade candy and popcorn treats.

H8189 / 2 sessions  $65
11:00 AM - 1:00 PM TU/W: 7/23 & 7/24
Dunn  Downtown Co-op Connections Building

**New Recipes!**

**Eat Local!**
Celebrate the bounty of the Pacific Northwest—when you use fresh local ingredients even basic cooking techniques lead to exciting and delicious results! Our menu will be fresh fish sticks, blueberry pies, market veggie sushi rolls, veggies and pasta with fresh pesto, and summer drinks to chill out with.

H8186 / 2 sessions  $65
11:00 AM - 1:00 PM TU/W: 7/30 & 7/31
Dunn  Downtown Co-op Connections Building

Please contact us with any food allergies or dietary restrictions one week prior to class start date. Accommodations may not be possible in all classes.
New! **Salad, Salsa, Dressing**

Experience the textures and flavors of summer, and work on basic knife skills along the way. On the menu: red, white, and blue potato salad; garden salad with fresh rosemary balsamic vinaigrette; Caesar salad with authentic garlicky lemon dressing; and corn chips served with a couple of different salsas including Russ’s famous fresh mango salsa.

H8087 / 1 session $35
11:00 AM - 1:00 PM MON: 7/1
Duncan Downtown Co-op Connections Building

New! **Super Sauces**

Mastering classic sauces and dishes that show them off is a key part of becoming a chef. In this class, we’ll make meatballs with red sauce, poached egg with hollandaise, grilled asparagus with lemon garlic/roasted jalapeno aioli, and seared steak with pan reduction sauce.

H8093 / 1 session $35
11:00 AM - 1:00 PM MON: 8/5
Duncan Downtown Co-op Connections Building

New! **Best Breakfast**

Learn how to cook perfect eggs to order, classic omelets, and a seasonal vegetable hash cooked in a cast iron skillet. Make breakfast the best meal of the day!

H8090 / 1 session $35
11:00 AM - 1:00 PM MON: 7/15
Duncan Downtown Co-op Connections Building

New! **Pizza!**

Learn the art of pizza making! We’ll make New Haven-style pizza sauce and refrigerator proofed pizza dough, along with local cheese and topping options. With guidance from ace pizza chef Russ Duncan, students will learn to hand toss, assemble, and fire personal pizzas. Each student will also go home with a dough ball and fresh sauce for advanced pizza independent study.

H8096 / 1 session $35
11:00 AM - 1:00 PM MON: 7/29
Duncan Downtown Co-op Connections Building

**Farm to Table: A Culinary Camp**

Take all Farm to Table classes for $119
Class does not meet July 8 and 22.
H8084 / 4 sessions

***Photography***

Digital Photography & Photoshop Camp

Do you love taking photographs, but want to learn the art of editing? Merge your artistic and technical talents in this photography and editing hybrid class! You’ll start by taking your own photos around campus, learning more about composition and light, followed by time in a computer lab using Photoshop Elements to edit your photos and create stunning graphics. By class end, you’ll have beautiful digital files of your work to share with family and friends! Bring your digital camera, or a smartphone capable of taking pictures, and an extra battery or charging cord. Designed for ages 10-14.

H8063 / 3 sessions $85
10:00 AM - 12:00 PM TU/W/TH: 7/16 - 7/18
Mullen WCC - Laidlaw 211

Introduction to Photojournalism

Experience the fascinating field of photojournalism and explore the world through your camera lens! In this hands-on class you will learn camera operation, basic composition, and examine careers in journalistic photography. You’ll have several photo assignments and get an opportunity to capture images in and around the WCC campus as you learn professional tips for taking pictures of people, sports, nature, and newsworthy events. Bring your camera to each class session (DSLR recommended). Designed for ages 10-14.

H8168 / 4 sessions $95
10:00 AM - 12:00 PM M/TU/W/TH: 7/22 - 7/25
Mullen WCC - Syre 212

See also: Intro to Filmmaking for Teens, page 9

**Kids’ College Art Show**

Join us for a special end-of-summer treat as we celebrate creative works by our Kids’ College and teen students!

Selected artwork on display August 2-19 at the Cordata Co-op in the café area.

More information provided in classes. Participation is optional.

Please contact us with any food allergies or dietary restrictions one week prior to class start date. Accommodations may not be possible in all classes.

**DONATE FOR 2020!**

We’re establishing a scholarship fund for Kids’ College and Teen Programs for 2020 and beyond!

Find out how you can help us reach our goal at whatcom.edu/kidscollage
ENTREPRENEURSHIP

Business Sense for Kids

Do you want to earn your own money but are looking for something beyond babysitting or selling lemonade? This workshop explores various options for kid-owned businesses. We’ll cover business models, selling products vs services, money management, advertising, and forming a business plan. We’ll also discuss supply costs and pricing as we learn to make several products. If you’re thinking of going into business with a friend or group, this is a great class to take together! All materials included; bring a sack lunch. Designed for ages 9-14.

H8027 / 1 session $65
10:00 AM - 3:00 PM THU: 6/27
Goforth WCC - Foundation 105

ROBOTICS, ENGINEERING & LEGO® BRICKS

New Format Beginning Robotics Using LEGO® WeDo

Working in teams of two, you’ll explore the world of robotics using LEGO® WeDo software to build and use your creativity to optimize LEGO® models! Simple machines, motors, and sensors are integrated with icon-based software allowing you to build and program a variety of LEGO® models while gaining a fundamental understanding of robotics, engineering, and the value of teamwork. Bring a sack lunch, snack, and capped drink each day. Designed for ages 7-11; best for those entering second grade through fifth grade.

H8021 / 4 sessions $289
10:00 AM - 3:00 PM M/TU/W/TH: 7/8 - 7/11
Gustafson WCC - Syre 108

Intermediate Robotics Using LEGO® WeDo

Guided by LEGO® WeDo software, you’ll learn to create functional LEGO® structures involving accuracy and detail. Discover how simple machines are utilized in everyday life while building and programming a variety of complex builds such as a crane, a drawbridge, and amusement park rides. You’ll be encouraged to use critical thinking and your imagination to optimize your creations and programs. Recommended for those with an interest in robotics, but prefer building over programming. Prior LEGO® Robotics class experience highly recommended. Bring a snack and capped drink each day. Designed for ages 8-12.

H8159 / 4 sessions $169
9:00 - 11:45 AM M/TU/TH/W: 7/15 - 7/18
Gustafson WCC - Syre 108

Robots Using LEGO® NXT

Working in teams of two, you’ll design your own solutions to challenges by building LEGO® models and programming them to perform certain tasks. Similar to scientists working in labs, you’ll test and adjust your programming in real time as the models remain tethered to a computer. After reflecting on what did and did not work, you’ll consult with peers, adapt programming, adjust models, or begin again. This program was designed by the creators of LEGO® Mindstorms NXT Robotics Systems and is a great way to introduce students to the exciting world of engineering and robotics! Recommended for those who prefer programming over building. Bring a snack and capped drink each day. Designed for ages 10-13.

H8261 / 4 sessions $169
1:15 - 4:00 PM M/TU/W/TH: 7/15 - 7/18
Gustafson WCC - Syre 108

Mountain Biking: Level 1

Get outside and learn how to navigate Bellingham’s mountain bike trails with confidence! We’ll meet at WCC on the first day to work on skill training, including body position on descents/climbs, braking, shifting and turning. The next three sessions will be held at Galbraith Mountain, where we’ll test those skills riding as a group on narrow trails and get valuable feedback from biking instructor Mike Storm and his assistant. Students must be comfortable riding a bike, but do not need trail experience.

For further class information and supply list, visit whatcomcommunityed.com and click on “Supply Lists & Class Info.” Designed for ages 11-16.

H8219 / 4 sessions $125
9:00 AM - 12:00 PM M/TU/W/TH: 6/24 - 6/27
Storm WCC/Galbraith Mountain

Mountain Biking: Level 2

Build on your mountain biking skills, and learn how to move your bike independently from your body in order to turn and ride steeper terrain. Learn to pump for speed and to move explosively on the bike in order to get one or both wheels in the air without the aid of jumps or drop offs. You’ll spend all four sessions at Galbraith Mountain becoming proficient with these skills. For additional class information and supply list visit whatcomcommunityed.com and click on “Supply Lists & Class Info.” Designed for ages 11-16.

Section A
H8222 / 4 sessions $125
9:00 AM - 12:00 PM M/TU/W/TH: 7/15 - 7/18
Storm Galbraith Mountain

Section B
H8225 / 4 sessions $125
9:00 AM - 12:00 PM M/TU/W/TH: 8/5 - 8/8
Storm Galbraith Mountain

Black Rocket Digital Arts Camps

Make Your First 3D Video Game!

Go well beyond the limitations of traditional 2D game design and create an immersive 3D world! You will learn the physics behind 3D games, explore beginner event scripting, level design, controlling the flow of gameplay, and storytelling. Student created games will be available on a password protected Black Rocket website to share with friends and family. **Section A designed for ages 8-11. Section B designed for ages 11-14.**

**Section A**
- H8195 / 4 sessions
- 9:00 AM - 12:00 PM
- M/TU/W/TH: 6/24 - 6/27
- Staff: WCC - Foundation 101J
- $185

**Section B**
- H8198 / 4 sessions
- 1:00 - 4:00 PM
- M/TU/W/TH: 6/24 - 6/27
- Staff: WCC - Foundation 101J
- $185

Virtual Reality: The Future is Now

Embark on an EPIC adventure in virtual reality! In this cutting-edge class, you will learn the foundations of VR design by creating your own virtual worlds, exploring simulated environments, and crafting memorable 3D experiences. At the end of the week, take home your first cardboard VR headset to share friends and family the new worlds you created. VR projects can be viewed on a website or a mobile device. (You do not need to own a smartphone or tablet to take the class. Returning students can create more advanced projects that build on previous years. **Section A designed for ages 8-11. Section B designed for ages 8-14.**

**Section A**
- H8009 / 4 sessions
- 9:00 AM - 12:00 PM
- M/TU/W/TH: 7/15 - 7/18

- M/TU/W/TH: 7/8 - 7/11
- Staff: WCC - Foundation 101J
- $199

New! Code Your Own Adventure!

Interactive Storytelling

Watch as the characters in your imagination come to life in this unique class that blends classic storytelling with animation techniques and coding. Start with a concept, design the characters, and choose not just one ending, but many! Learn how to create your own text-based adventure games with variables, conditional logic, images, HTML, CSS, and JavaScript. **Section A designed for ages 11-14. Section B designed for ages 8-11.**

**Section A**
- H8048 / 4 sessions
- 9:00 AM - 12:00 PM
- M/TU/W/TH: 7/29 - 8/1
- Staff: WCC - Foundation 101J
- $185

**Section B**
- H8045 / 4 sessions
- 1:00 - 4:00 PM
- M/TU/W/TH: 7/29 - 8/1
- Staff: WCC - Foundation 101J
- $185

Minecraft Modders

Use your favorite game to learn the basics of modding and foundations of programming! In this class, learn scripting and logic statements as you create your first mods. Introductory coding will also be taught through a simulated environment inspired by Minecraft. Student projects will be available on a password protected Black Rocket website to share with friends and family. Students must own a Java version of Minecraft to access their projects at home. Tablet, phone, and game console versions of Minecraft are not compatible. Returning students can create more advanced projects that build on previous years. **Section A designed for ages 8-11. Section B designed for ages 11-14.**

**Section A**
- H8213 / 4 sessions
- 9:00 AM - 12:00 PM
- M/TU/W/TH: 8/5 - 8/8
- Staff: WCC - Foundation 101J
- $185

- 1:00 - 4:00 PM
- M/TU/W/TH: 8/5 - 8/8
- Staff: WCC - Foundation 101J
- $185
New! Matisse Plates

Study the art of plate making and design your very own set of ceramic plates in WCC’s Roe Studio! You will learn clay hand building techniques to create your plates, and then use underglazes to add color and design with cut-outs inspired by artist Henri Matisse. Project pick-up information provided in class. All materials included. Class size is limited, so register early! Designed for ages 12-17.

H8201 / 4 sessions $89
10:00 - 11:30 AM M/TU/W/TH: 7/29 - 8/2
Coggins WCC - Roe Studio

New! The Art of Drawing Animals

Put pencil to paper and learn how drawing animals can be both fun and challenging! Take a look at how artists Franz Marc, Albrecht Durer, and Pablo Picasso captured this subject in completely different styles, and learn how to use the basic elements of art and simple drawing techniques to draw your favorite animals and find your own style. All materials included. Class size is limited, so register early! Designed for ages 12-17.

H8291 / 4 sessions $79
12:30 - 2:00 PM M/TU/W/TH: 7/15 - 7/18
Coggins WCC - Foundation 101K

Nature Writing

Nick Engelfried is passionate about sharing a sense of wonder for the natural world with learners of all ages. He has an M.S. in Environmental Studies with a focus in environmental writing from the University of Montana, as well as an M.Ed in Environmental Education and Certificate in Northwest Natural History from Western Washington University.

New! Nature Writing and Journaling for Teens

Develop skills and techniques for writing about the natural world while surveying examples of great nature writing from around the globe. We’ll walk through a series of exercises designed to help you practice the art of making detailed observations, getting your thoughts down on paper, and producing a short essay, poem, or narrative. Be prepared to spend time outside interacting with the nature around us and drawing inspiration from what we find! Bring a notebook and pen/pencil. Designed for ages 13-17.

H8231 / 3 sessions $59
3:00 - 5:00 PM M/W/F: 7/29 - 8/2
Engelfried WCC - Foundation 201C

Teen Pottery: Welcome to the Wheel

Have you ever wanted to create your own pottery on a potter’s wheel? Join Michelle Crowe for this summer throwing adventure as you learn how to center and shape clay on the potter’s wheel. In the first four sessions, you’ll also learn how to trim and decorate your work. For additional class information and supply list visit whatcomcommunityed.com and click on “Supply Lists & Class Info.” Designed for ages 13-17.

**New! Color with Water**

Let’s experiment with how colors flow with water! Using different brush techniques, we’ll work in watercolors to experiment with lines, shapes, and color mixing. We’ll also create textures with string and salt to paint interesting designs both realistic and abstract. All materials included. Class size is limited, so register early! **Designed for ages 12-17.**

H8051 / 4 sessions  
10:00 - 11:30 AM  
WCC - Foundation 101K

**New! Art Explorations**

Come explore three different styles of art—realistic, abstract, and non-objective—and the differences between them. We’ll examine the works of Rembrandt, Edgar Degas, MC Escher, and Jackson Pollock and discuss each artistic style. You’ll then be inspired to create your own design working in pencil, color pencils, and oil pastels. All materials included. Class size is limited, so register early! **Designed for ages 12-17.**

H8018 / 4 sessions  
12:30 - 2:00 PM  
WCC - Foundation 101K

**Introduction to Filmmaking for Teens**

Develop your technical and creative skills as you explore the art of digital filmmaking! In this class you’ll learn the techniques needed to create a short film masterpiece, including operating your camera, writing a short script, the basic principles of using sound and light in film, different video formats, shooting methods, movement, and composition. Class also includes hands-on video editing in a computer lab. Bring your camcorder or DSLR capable of capturing video, manual, and extra batteries or charger to each session. **Designed for ages 12-17.**

H8165 / 4 sessions  
9:00 AM - 12:00 PM  
Barone - Laidlaw 211

**Self-Defense for Teens**

Join Robert Ellsworth, corrections deputy for the Whatcom County Sheriff’s Office, and commit to learning a personal safety program you can use for the rest of your life! This class is highly recommended for high school students or students who will be heading off to college. Class provides both an intellectual and physical component with an emphasis on strategy, intelligence, awareness, and avoidance. Learn observation skills to recognize early warning signs of danger, ways to use your voice and body language to prevent harm, simple and effective physical skills to disable an attacker long enough to escape, and more. Robert has been teaching self-defense for over 20 years. **Designed for ages 13-18.**

H8264 / 4 sessions  
3:00 - 5:00 PM  
Ellsworth - Syre 108

Summer in the Northwest is the grand finale for both avid and novice gardeners! Whether you have an acre of gardens or a few planter boxes on your deck, enjoy this special season to its fullest by learning expert tips and techniques essential for keeping your landscape fresh and beautiful all summer long. Gardening pro Debra Olberg will cover watering, grooming, summer pruning, fertilizing programs, pest control, adding color throughout the season, and much more.

**Garden Maintenance**

**Summer in the Garden**

Summertime in the Northwest is the grand finale for both avid and novice gardeners! Whether you have an acre of gardens or a few planter boxes on your deck, enjoy this special season to its fullest by learning expert tips and techniques essential for keeping your landscape fresh and beautiful all summer long. Gardening pro Debra Olberg will cover watering, grooming, summer pruning, fertilizing programs, pest control, adding color throughout the season, and much more.

**New! Pacific Northwest Plant Life**

Learn about the trees, shrubs, and other native plants that make the Pacific Northwest the green and beautiful place it is. In the first session we’ll get acquainted with some basic botany skills, then go out into the field during our second session to discover and identify some of the wealth of plant species found right here in Whatcom County. Be prepared to spend time outside, rain or shine, as we get to know common plants you’ll likely see on any hike in the woods around Bellingham. You’ll be amazed by the diversity of plant life in our neighborhood! Ages 13 and up registered with a guardian are welcome to attend.

**Nature and Natural History of Whatcom County**

Discover the natural wonders living just beyond your doorstep in Whatcom County! We’ll work on building and developing nature observation skills, and spend most of our time in the field putting these techniques into practice. Be prepared to look for and learn about many of the diverse groups of plants and animals who call our region home. You’ll be amazed at the wealth of flora and fauna we’ll uncover right here in Northwest Washington! Bring a sack lunch and dress for the weather—we’ll spend some time outside, rain or shine.

**New! Pacific Northwest Insect Life**

Discover the multitude of tiny life forms that surround us in our day-to-day lives! We’ll begin with a short overview of insect diversity and skills needed for identifying many-legged creatures. Then, we’ll go into the field to look for insects, practice identification skills, and be amazed by the extraordinary variety of backyard bugs in Bellingham. First session will meet in the classroom, while our second session will explore outside. Be ready for rain or shine as we set off on a journey of discovery into the little-known lives of common but remarkable insects. Ages 13 and up registered with a guardian are welcome to attend.

**Primitive Friction Fire Making**

Have you ever wanted to learn the ancient secrets of traditional fire making, or have you wanted to develop survival skills to have peace of mind while out in the wilderness? Then join us to learn ancient friction fire making! Instructor Rourke McDermott will help you craft your own primitive friction fire making kit, and assist you as you try your hand and skills at pulling the distilled essence of the sun out of wood. Listen to old stories, deepen your connection to nature and our ancestors, and make fire from scratch by your own simple primitive means. Materials fee of $10 payable to instructor at class. For additional supply list, visit whatcomcommunityed.com and click on “Supply Lists & Class Info.”

**Nature and Natural History**

Discover the natural wonders living just beyond your doorstep in Whatcom County! We’ll work on building and developing nature observation skills, and spend most of our time in the field putting these techniques into practice. Whatcom Community College | Community & Continuing Education, Summer 2019
New! Calypso Kitchen: Caribbean Creole Home Cooking

Creole cooking in the Caribbean carries the influence of African, French, Spanish, and Portuguese cuisines, and stands out for its bold flavors and colorful ingredients. Sarah Chan of Calypso Kitchen showcases Creole home cooking with a menu of accra (fritters of salted, dried codfish) and mango sauce, green banana salad, oxtail stew, and coconut red beans and rice.

H8030 / 1 session $45
6:30 - 9:30 PM WED: 6/19
Chan Downtown Co-op Connections Building

New! Calypso Kitchen: East Meets West

When East Indians arrived in the West Indies, they brought with them a plethora of spices and cooking techniques that over time have developed into a uniquely Caribbean fusion cuisine. The menu for the evening is eggplant fritters served with curried chickpeas, mango chutney, and tamarind sauce; lamb curry; rice curry with corn and vegetables; and “mother-in-law,” a spicy condiment made with peppers, bitter melon, daikon, and lemon juice.

H8033 / 1 session $45
6:30 - 8:00 PM TUE: 8/6
Chan Downtown Co-op Connections Building

New! Raw Vegan Desserts

If you have a sweet tooth but are looking for healthier options, this class is for you! Using all whole food ingredients, we’ll be making a lemon and local berry cashew cheesecake, raw walnut brownies, salted apricot cookie dough truffles, sweet and savory almond butter flax bars, and a to-die-for avocado chocolate mousse with cashew whipped cream. Explore the joy and simplicity of raw desserts, and leave class with a handful of recipes and ideas to try at home.

H8246 / 1 session $45
6:30 - 9:00 PM MON: 6/24
Southerland Downtown Co-op Connections Building

Food Preservation

Take advantage of our amazing local produce and reduce waste in your kitchen! Learn how to safely can, freeze, dehydrate, and ferment your favorite foods to increase nutrition throughout the year. Harvest at the peak of the season and use these methods to extend the bounty well beyond the growing season! Instructor Jennie Goforth teaches food safety and preservation classes at WSU Skagit, and has been preserving food at home for over 20 years.

Water Bath Canning

Water bath canning is a perfect way to get started in food preservation as it is easy to learn and requires no special equipment. In this class, learn how to preserve fruit, jams, tomatoes, and other high acid foods, which can be safely canned using the water bath method.

H8102 / 1 session $29
6:30 - 8:00 PM TUE: 6/18
Goforth Downtown Co-op Connections Building

Pressure Canning

Pressure canning is a great way to extend your food preservation to many other foods including vegetables, meats, soups, and other low acid foods. Build confidence as you learn to operate a pressure canner, and identify which foods and recipes are suited to this type of preservation. Learn what equipment is required and how to use it!

H8105 / 1 session $29
6:30 - 8:00 PM TUE: 6/25
Goforth Downtown Co-op Connections Building

Pickling and Fermentation

Probiotics are essential, and in this class we will learn how to select produce, prepare, and ferment delicious and healthful probiotic-filled foods like sauerkraut. Expand your knowledge with quick pickling, and learn about storage methods to safely preserve these pickled products.

H8108 / 1 session $29
6:30 - 8:00 PM TUE: 7/2
Goforth Downtown Co-op Connections Building

Freezing, Drying, and Root Cellaring

Round out your food preservation knowledge by learning about three important techniques: freezing, drying, and root cellaring/micro climate storage. This information-filled class covers cost comparisons of all preservation methods, tips to improve quality in frozen foods, better organization of freezer space, how to select (or build) a food dehydrator, making powdered concentrates from scratch, micro-climate food storage options and techniques (even without a root cellar), and much more!

H8111 / 1 session $29
6:30 - 8:00 PM TUE: 7/9
Goforth Downtown Co-op Connections Building

Food Preservation

Take all four classes for $99

**Introduction to Ayurvedic Cooking**

Bharti Nagal demonstrates the preparation of a simple ayurvedic meal, explaining the basic principles of ayurveda along the way. According to ayurveda, health and well-being are attained by balancing the three doshas, or biological energies present in the human body and mind. The meal will be a tri-doshic celebration including khichadi (lightly spiced rice and lentils), chutney, halva (warm, nourishing dessert using semolina), and ghee (clarified butter).

**H8162 / 1 session $45**
6:30 - 9:00 PM THU: 7/25
Nagal Downtown Co-op Connections Building

**Mediterranean Mezzes**

Join local food blogger and cookbook author Samantha Ferraro of The Little Ferraro Kitchen as she shares an array of Mediterranean mezzes. Included is muhammara, a Syrian roasted pepper dip; savory cheese pastries called borekas; turmeric-roasted cauliflower with almonds and creamy tahini sauce; and red beet hummus.

**H8207 / 1 session $45**
6:30 - 9:00 PM THU: 6/27
Ferraro Downtown Co-op Connections Building

**Mediterranean Summer Party**

Join local food blogger and cookbook author Samantha Ferraro as she shares an array of Mediterranean bites perfect for a summer party. Recipes include silky smooth summer gazpacho, heirloom tomato bruschetta with labneh, turmeric yogurt marinated chicken kabobs, and fennel fattoush salad with mint and pistachios.

**H8210 / 1 session $45**
6:30 - 9:00 PM THU: 8/8
Ferraro Downtown Co-op Connections Building

**Summer Pilates**

Experience the incredible benefits of Pilates in a lighthearted, pressure-free atmosphere! You’ll improve core strength, posture, muscle tone, and flexibility with attention to form and proper body alignment. Instructor Charlotte Stickles offers a variety of exercises and modifications for both new and returning students as they delve into the principles of the Pilates method. Bring a thick Pilates mat and water bottle.

**H8282 / 6 sessions $89**
5:45 - 6:45 PM TUE: 7/9 - 8/13
Stickles WCC - Pavilion 201

**Beginning Yoga**

Offered in a nurturing environment, this heart-centered yoga will help you increase flexibility, improve strength, and create a greater sense of balance and harmony. We’ll explore basic yoga postures that can be adapted to meet your needs, breath awareness, and relaxation techniques. Yoga can be a great path towards spiritual growth, encouraging us to keep learning about ourselves, and our connections to the world. Instructor Susan D’Onofrio is an Anusara-inspired teacher with over 30 years’ teaching experience, as well as a certified mindfulness meditation facilitator. Her approach is gentle, supportive, and patient. Bring a yoga mat, a yoga blanket or thick towel, two yoga blocks, and an 8-foot yoga strap.

**H8024 / 8 sessions $155**
9:00 - 10:30 AM TUE: 7/9 - 8/27
D’Onofrio WCC - Pavilion 106

**Iyengar Yoga**

Awaken your body, mind, and heart as you discover a practical approach to self-care. This class draws on the wisdom and tradition of Iyengar Yoga, a style of yoga that emphasizes alignment, providing students with a safe and effective method with which to practice a variety of postures. Emphasis is placed on gently building strength, inviting flexibility, and nourishing a sense of inner quiet. New and continuing students welcome. Bring a mat and several blankets; props are available if you don’t have your own. Class is held at the YWCA on the corner of N. Forest and Maple.

**H8180 / 8 sessions $169**
9:30 - 11:00 AM WED: 6/26 - 8/14
Davidson YWCA - Ballroom
Healthcare Planning

Welcome to Medicare

Have you received notices that you’ll be eligible for Medicare soon? Are you receiving mail about Medicare supplemental options? This course is for those new to Medicare, or soon to enroll, who want to understand the many benefits available. Learn about health benefits, drug coverage, and how to supplement your coverage. Medicare and You booklet and other materials provided. Presented by the Statewide Health Insurance Benefits Advisors (SHIBA) of Whatcom County; SHIBA does not sell or endorse insurance products. Enroll with a Friend for Twice the Fun!

whatcomcommunityed.com
New! Plein Air Writing

Sharpen your descriptive skills and learn to make place a character in your writing. Each class, we’ll meet in a different location—feel free to bring suggestions. Writing prompts and exercises, along with analysis of great writing, will demonstrate how to bring the beauty, mystery, and power of place to life on the page. First session meets in the Writers Corner at Village Books in Fairhaven; subsequent outdoor meeting places—or indoor options in case of rain—will be discussed at first class.

H8243 / 4 sessions $125
10:00 AM - 12:00 PM MON: 7/15 - 8/5
Saville Village Books—Writers Corner

New! Writing Home

Writing Home provides tools for exploring your ancestry and developing satisfying ways to chronicle your discoveries. Learn to research, organize, and write family history, as well as discover tricks for utilizing Internet resources. Gather fundamentals for creating story—including how to build characters, use dialogue, and establish place and time. Molly Dwyer teaches creative writing at Mendocino College in California. She’s been honored for “Writing Women Back into History,” and her novel, *Requiem for the Author of Frankenstein*, was nominated for a Northern California Book Award. First session meets at Village Books in Fairhaven; remaining sessions meet at WCC. One hour lunch break provided during Saturday session.

New! Plein Air Painting at Waypoint Park

Capture the landscape of Bellingham’s brand new Waypoint Park in the heart of downtown with your paintbrush! Local artist Trish Harding will guide you along as you tackle the challenges of plein air, or outdoor, painting. The day begins with a demo as Trish shows how to choose a particular scene, design your composition, and block in light and dark passages. She’ll also cover how to create liveliness with edges and paint application. This workshop will enhance the experienced artist’s skills and give confidence to the new plein air artist. All skill levels and mediums welcome. For class supply list and parking directions, visit whatcomcommunityed.com and click on “Supply Lists & Class Info.” Meet at Waypoint Park at 9:50 AM.

H8240 / 1 session $79
10:00 AM - 3:00 PM SAT: 7/13
Harding Waypoint Park

Travel Sketching

Add depth and enjoyment to your next travel experience with this class specifically designed to teach you how to capture the essence of a scene. Using simple black-and-white drawing media and watercolor pencils, students will develop spatial and proportional accuracy while working quickly. A Saturday field day on picturesque Lummi Island will round out the class. Instructor Meredith Moench has been teaching on-location sketching skills for over 30 years. Beginners and experienced scribblers alike will find this class valuable and fun. For class supply list and Lummi Island information, visit www.whatcomcommunityed.com and click on “Supply Lists & Class Info.”

Experience Watercolors: A Beginner’s Course

Discover how delightful painting can be in this beginning class! Step-by-step exercises and individual instruction will demystify the painting process as you learn to apply watercolor techniques while expressing your own artistic ideas. With over 30 years’ experience teaching students of all levels, artist Meredith Moench will gently guide you through an exploration of your inner artist. For class supply list, visit www.whatcomcommunityed.com and click on “Supply Lists & Class Info.”

Moench WCC - Cascade 163

Paint Like an Impressionist—Outside!

Spend three mornings like a true Impressionist painter and learn the art of “plein air” (painting outdoors). Using a palette knife (no brushes!), you will paint with oils while capturing the bright, alive quality of our Northwest light and immersing yourself in the morning beauty of Lake Padden and Cornwall Park. By painting from life, you will learn the necessary foundation to paint any subject in an Impressionist manner. First session meets at Whatcom Community College. Some painting and drawing skills are helpful, but not necessary. For class supply list, visit www.whatcomcommunityed.com and click on “Supply Lists & Class Info.”

**Evening Classes**

**New! Fused Glass:**
**Free-Form Pendants**

Enjoy a lingering sunlit evening in downtown Bellingham at Sheri Ten Eyck’s Wandering Oaks Gallery where Sheri will teach you the art of fused glass. Learn how to use glass in a variety of forms and colors as you create 10-12 individually unique pieces that can be turned into pendants. Your creative pieces will shimmer in that summer sun! Wear closed-toe shoes to class. $25 materials fee payable to instructor at first class. Class size is limited, so register early.

H8120 / 1 session $65
6:00 - 9:00 PM WED: 6/26
Ten Eyck Wandering Oaks Gallery

**Fused Glass:**
**Stunning Sunflowers**

Celebrate the beauty of summer and the blooming sunflowers! Sheri Ten Eyck, glass artist and owner of Wandering Oaks Gallery, invites you to her studio to learn basic glass cutting and building techniques as you create a stunning sunflower for your table or to hang on the wall. Wear closed-toe shoes to class. $25 materials fee payable to instructor at first class. Class size is limited, so register early.

H8123 / 1 session $65
6:00 - 9:00 PM WED: 7/10
Ten Eyck Wandering Oaks Gallery

**Museum Road Trip**

**New! Matzke Sculpture Park & Museum of Northwest Art**

Spend the day soaking in art and sun on this fun road trip with local artists Trish Harding and Deb McCunn! Trish and Deb will take you first to Matzke Fine Art Gallery and Sculpture Park on Camano Island where owner Karla Matzke will lead you on an exclusive tour of her gallery and sculpture park. Karla’s unique ten-acre sculpture park houses numerous sculptures by a variety of artists all nestled among evergreens and Northwest flora and fauna. After the tour and time spent exploring, you’ll head to La Conner for lunch on your own along the Swinomish Channel in one of La Conner’s picturesque restaurants. Meeting up once again with Trish and Deb, you’ll visit the Museum of Northwest Art (MoNA) for a guided tour of the permanent collection and visiting exhibition with a museum docent. You’ll have a little more free time in La Conner before leaving for Bellingham at 3 PM.

Registration fee includes gallery and museum entrance, including a donation to the Museum of Northwest Art, and transportation provided by Bellair Charters. Registration deadline is July 8 at noon. No refunds or credits issued after deadline date.

RT19H01 / 1 session $99

Harding/McCunn WCC - Foundation Main Entrance

**Introduction to the Potter’s Wheel**

Join us in Whatcom’s beautiful Roe Studio and learn to use the potter’s wheel to create unique designs and useful clay art—such as bowls, cups, and jars. Explore the basic skills of centering, throwing, trimming, and glazing pottery to create one-of-a-kind pieces. Instructor Jennifer Anable welcomes both beginning and experienced students. Final class session is one hour to get feedback on your finished pottery or finish glazing. Up to five pounds of clay and glazes are included. For class supply list, visit whatcomcommunityed.com and click on “Supply Lists & Class Info.”

H8171 / 6 sessions $199
6:00 - 9:00 PM WED: 6/26 - 7/31
Anable WCC - Roe Studio

**Dare to Draw:**
**Sketching Outdoors**

A great class for anyone who would like to try drawing for the first time or those wanting a refresher in basic skills, instructor Katherine Taylor will lead you through various exercises to train the eye, hand, and imagination to work as a team. Your drawing skills will improve right before your eyes! For a fun summer twist, we will move outdoors to enjoy local parks and natural settings. Bring a #2 pencil and white sketch pad to class. Outdoor meeting locations will be discussed at first session.

**Photography & Photo Editing**

**Getting to Know Your Digital Camera**

This hands-on class begins with the essentials of digital photography: image resolution, picture formats, zoom, flash settings, deciphering menu options, and configuring your camera’s settings. You’ll then learn how to set up and frame a shot while taking pictures around WCC’s campus to be reviewed in class. Instructors Gary Meader and Al Sanders have many years of experience teaching photography and image editing classes. Bring your digital camera, manual, charging cord, and extra batteries. Familiarity with Windows is strongly recommended. Lunch break from 12:30-1:30 PM.

H8135 / 1 session $149
9:00 AM - 4:00 PM SAT: 6/15
Sanders/Meader WCC - Foundation 201C

**The Art of Photography**

Whether you use film or digital, learning the basics of photography will enhance the quality of your photos. Instructor Al Sanders will demystify the image-making process as you learn to manipulate aperture and shutter speed to produce perfect exposures. Also explore principles of lighting, composition, color, and more. While our emphasis is on digital cameras, film users are also welcome. Bring a camera with adjustable aperture and shutter speed. Textbook, provided at first session, included in course fee.

H8294 / 4 sessions $159
6:30 - 9:00 PM MON: 6/24 - 7/15
Sanders WCC - Foundation 201C

**Introduction to Macro Photography**

Take your photography skills to a whole new level with macro photography! Join Ken Salzman in this hands-on course as he teaches you how to take close-up photographs of small objects. Learn about special techniques to make your subject pop, camera settings, lighting, and composition considerations. Ken will also discuss special equipment you can use such as extension tubes and macro lenses. Bring your DSLR camera and a charged battery to first session. Prerequisite: beginning photography class or thorough knowledge of your camera’s operation. This course is only offered once a year.

S8342 / 2 sessions $79

**Photo Walk**

**Woodstock Farm on Chuckanut Bay**

Join photographer Karen Mullen for this unique opportunity to take photos at Woodstock Farm, the charming city park and former country estate overlooking Chuckanut Bay. We’ll explore the farm and enjoy the summer blooms while learning the art and technique of digital photography, ending with an opportunity to take sunset shots. Bring your DSLR or point-and-shoot camera, extra batteries, and tripod (if you have one). Dress for the weather. We’ll meet in the WCC Foundation Building lobby and leave promptly at 5:30 PM to caravan to Woodstock Farm.

S8435 / 1 session $45
TUE: 5/28
Mullen WCC - Foundation Main Entrance

**Adobe Photoshop Lightroom**

Adobe Photoshop Lightroom is an essential workflow tool for many photographers, allowing you to organize, process, and show your work with ease. We’ll discuss importing, cataloging, and processing images to their full potential; explore the Library and Develop modules; output modules such as Book, Slideshow, and Print; and discuss how Lightroom integrates with other programs, such as Photoshop. This class is lecture/demo, but if you have Lightroom installed on your laptop, feel free to bring it to class.

Website Fundamentals
Using WordPress
WordPress—Levels 1-3

This demo/lecture class is the first step in the series for the Certificate in WordPress Web Design. We will explore the differences between Dreamweaver and WordPress, WordPress.org and WordPress.com, and other blogging platforms. Course also provides an overview of essential web design, website usability studies, desktop vs. mobile layout, and much more. Class text is the same book used in the introductory course. Prerequisite: WordPress: Level 1.

H8318 / 3 sessions $189
6:00 - 9:00 PM M/W: 7/15 - 7/22
Groves WCC - Foundation 101J

WordPress: Level 1

WordPress is a content management system associated most often with blogs but can also be used for designing websites. Course includes an introduction to the WordPress file architecture, the WordPress dashboard, and simple blog post publication. Textbook, included in course fee, will be provided at first session. This class assumes no experience in blog development and starts at square one. Familiarity with folder/file management, email, websites, and Word is highly recommended.

H8315 / 2 sessions $159
6:00 - 9:00 PM M/W: 7/8 & 7/10
Groves WCC - Foundation 101J

WordPress: Level 2

A continuation of WordPress: Level 1, this class covers WordPress themes with an introduction to HTML, CSS, and Cascading Style Sheets (CSS). We’ll also explore picture galleries, static pages, added navigation, categories, tags, and user permissions (administrators, editors, writers). Class text is the same book used in the introductory course. Prerequisite: WordPress: Level 1.

H8321 / 3 sessions $189
6:00 - 9:00 PM W/M: 7/24 - 7/31
Groves WCC - Foundation 101J

WordPress: Level 3

This class covers videos, plug-ins, widgets, and added content for downloads such as zipped files. We’ll also discuss security, RSS, Google Analytics, and optimizing the website for speed. Class text is the same book used in the introductory and Level 2 courses. Prerequisite: WordPress: Level 2.

H8321 / 3 sessions $189
6:00 - 9:00 PM W/M: 7/24 - 7/31
Groves WCC - Foundation 101J

Lab-time was very helpful. Each session we reviewed and built on what we learned. I feel I can move forward with my goals. Thank you!

Whatcom Community College takes photographs on campus throughout the year. These images often include students, employees and guests in classrooms, computer labs, athletic events and other campus activities. WCC reserves the right to use these photographs as a part of its publicity and marketing effort. Those who attend, visit or work at WCC do so with the understanding that these photographs might include them and might be used by the College for promotional purposes, including but not limited to, publications, advertisements, website and social media.

   Monday-Friday, 8:00 AM-5:00 PM
   Credit cards & checks only (Visa, MasterCard, American Express and Discover).

**Community and Continuing Education Classes** are open to the general public. They are self-supporting without use of tax monies and do not provide credit toward a WCC degree or transfer to other institutions. Classes are for adults 18 years and older unless stated otherwise. Kids’ College, designed specifically for young people, is offered during the summer (see pages 3-9).

**Registration Information**
Registration for Summer 2019 is currently underway. YOU MUST REGISTER PRIOR TO THE FIRST CLASS SESSION. If the minimum enrollment for a class is not met, the class will be canceled.

**Our Refund Policy**
- Full refunds will be issued to all participants if WCC must cancel a class due to low enrollment.
- To cancel a registration, please contact the Community and Continuing Education department at least 4 weekdays prior to the class. You will be issued a full refund.
- If you cancel a registration less than 4 weekdays prior to the class, you are entitled to a full credit that you can apply toward any Community or Continuing Education class offered within a year of the date of credit. Please note: A credit voucher may not be exchanged for a cash refund.
- **NO REFUNDS or CREDITS** will be given for a class once it has started. Refunds based on special circumstances must be requested in writing and are not guaranteed.

**Kids’ College/Teen Classes Refund Policy**
- Full refunds will be issued to all participants if Community & Continuing Education must cancel a class due to low enrollment.
- To cancel a registration, please contact Community & Continuing Education at least 7 calendar days prior to the start of class. You will be issued a full refund.
- If you cancel a registration less than 7 calendar days prior to the class, you are entitled to a full credit that you can apply towards any Community & Continuing Education class offered within a year of the date of credit minus a $50 administrative fee (does not apply to classes with registration fee of less than $50). Please note: a credit voucher may not be exchanged for a cash refund.
- **NO REFUNDS or CREDITS** will be given for a class once it has started. Refunds based on special circumstances must be requested in writing and are not guaranteed.

**Clock Hours for Teachers**
Many of our classes (three hours and longer) are approved by the Office of the Superintendent of Public Instruction for clock hour certification. Community and Continuing Education charges a $20 administrative fee (in addition to the normal fee) for each class that is used for clock hours. The charge covers the cost of processing, mailing, and record keeping. Please notify our office at time of registration of your desire to receive clock hours. For further information, call Community and Continuing Education at 360.383.3200.

**Disability Services**
Students with disabilities who need accommodation are encouraged to call 360.383.3045 before registering.

*To comply with federal law, we are required to ask for your Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN). We will use your SSN/ITIN to report Hope Scholarship/Lifetime tax credit, to administer state/federal financial aid, to verify enrollment, degree and academic transcript records, and to conduct institutional research. If you do not submit your SSN/ITIN, you will not be denied access to the college. Pursuant to state law (RCW 28B.1.042) and federal law (Family Educational Rights and Privacy Act), the college will protect your SSN from unauthorized use and/or disclosure.
