Professional and Technical Programs
Whatcom offers a variety of professional and technical degrees and certificates that provide students with the necessary knowledge and skills to work in their area of study upon completion of their program. Professional and technical programs range in length from one to two years, and can be completed alone as a single program, or in combination with other degrees and certificates.

What Our Graduates Say
“Bellingham gave me space to grow and reflect. It was a stepping stone to adapting to living and studying in the U.S. and I could go on to somewhere bigger.”
Chun Yan Robin Chan, WCC Graduate
University of California - Los Angeles student from Hong Kong

“I learned to make myself comfortable asking questions to my instructor starting from WCC. In a smaller scale classroom, I learned how to speak-up more, share my thoughts, and be more active in class.”
Ribka Tanzil, WCC Graduate
University of California - Berkeley student from Indonesia

“Bellingham is a really safe place to live and the local residents are nice and friendly.”
Warute Phanthumkomol, WCC Graduate
University of Washington student from Thailand
