More Information About Resources

There are lots of resources available to you both on and off the WCC campus. Don't hesitate to make use of them!

Student Help Desk

[Contact the Student Help Desk by email](#) if you have trouble accessing your class, need help submitting an assignment, have questions about your student network account or VMware, or need help with other course-related computing. You can also call us at 360.383.3410 or drop by the Student Access Lab (Heiner 104). During summer quarter we're there Monday through Thursday 8am – 6pm and Friday 8am – noon.

Student Access Computer Lab - Heiner Center, Room 104/105

There are 78 computers in the Student Access Lab available for student use. The SAL provides WCC students with access to their student network account, black/white and color printers, a copier, a fax machine and scanners, as well as large-screen monitors for group work. Laptops and video and digital cameras are also available in the lab for students to check out.

Summer hours:

Monday through Thursday: 8am – 6pm

Friday: 8am – noon

eLearning Student Tutorials and Resources page

Visit the [eLearning Student Tutorials and Resources](#) page for videos and links to resources for online students.

Online Tutoring

- **Online Writing Center**

To work with WCC's Writing Center readers online, write them an e-mail at wccwritingcenter@gmail.com and attach your paper in Word or a rich text file (rtf) or as a pdf. In the email, tell them about

1. The class you're writing for, or the college or job application you're completing.
2. The paper and what you think of it so far.

3. What you'd like from them as your readers.

They'll respond with voice comments, using a screencast video. (Let them know if that system will not work for you.) Watch for a response within two days when school is in session. If you don't hear from them, they didn't get your email, so try again.

- **eTutoring**

WCC is a member of the Western eTutoring Consortium. Member schools provide tutors in a variety of subject areas, including math, sciences and social sciences. Because of this collaboration, tutors are available many hours of the day throughout the week, including weekends.

WCC Campus Tutoring

- **The Learning Center**

Cascade Hall 113: Monday – Thursday 9:00am – 2:00pm

This one-stop center for tutoring and academic support offers drop-in and one-on-one tutoring for many WCC classes. Tutoring is free to enrolled WCC students. Tutors are trained, qualified students and staff. Visit the [Learning Center](#) web page for other valuable information or call **360.383.3090** with any additional questions.

- **The Math Center**

Cascade Hall 113: Monday – Thursday 10:00am – 3:00pm

The Math Center helps you develop your quantitative and symbolic reasoning abilities. It offers drop-in and reservation-based tutoring for all currently enrolled WCC students. The Math Center supports your learning in all WCC math/math-related courses. Also visit the [Online Math Center](#) – a great resource to help supplement your classroom or online learning – or call **360.383.4708** with any additional questions.

- **The Writing Center**

Cascade Hall 112: Monday – Thursday 10:00am – 2:00pm

The Writing Center helps you with writing for all WCC classes and for job and college applications. Its trained tutors will read your paper with you and talk with you about it, focusing on your concerns and questions. They'll assist you in your work for college classes and help you become a more self-directed, independent writer. Don't miss the additional Writing Center information under *Online Tutoring* above. You can call **360.383.3094** with any additional questions.

Library Research Help

- **Ask-a-Librarian**

In person or by phone: For questions during the hours the library is open, your best bet is to visit or call the Reference Desk at 360.383.3285.

By online chat: Chat reference help is available 24/7 via the [Ask WA service](#). Chat sessions will likely be answered by a librarian from another library, but they have access to information about the WCC library's services and resources.

By e-mail: [Send the library an email](#) any time. A librarian will respond as soon as possible during open hours.

- **Library databases**

Click here for [a list of the library's online book and article databases and video and music streaming collections, plus tutorials for using them](#). To log in from off campus, use your student network account username and password.

Online Advising

An online advisor is available to assist you if you have scheduling, academic planning or other non-technical issues with your eLearning class or questions about future quarters. [Contact your online advisor by email](#) or by phone at 360.383.3080.

If You Need to Withdraw from Your Class

We hope you have the resources you need to be successful in your online or hybrid course. However, if you decide that a **withdrawal** is your best option, here are some important dates:

- July 9th: last day to drop a course and get a 40% tuition refund.
- July 9th: last day to drop and not have the course appear on your transcript.
- August 6th: last day to withdraw and receive a 'W' grade.

Contact your [online advisor](#) to discuss your best strategy.

Financial Aid Caution:

Withdrawing from a course may affect your financial aid, either for this quarter or for future quarters. If you're receiving financial aid, always check with the [Financial Aid Office](#) before dropping/withdrawing from any course.
