

## ABOUT US

We are a credential evaluation company that specializes in international high school and college level transcripts.

## WHAT WE NEED

- High School transcripts - Official copies of all high school transcripts and their official English translations. Include grades 9-12 even if taken in different countries.
- Verification of extra aesthetic activities taken during high school years (9th-12th grade) or started when younger and continued during high school years (ex: piano, violin, dance, etc.)
- Verification of sports or fitness activities completed or continued through high school years (ex: soccer, swimming, track & field, karate, etc.)
- Acceptable Verification documents: Certificates of accomplishment, signed letters from teacher, coach, trainer, school that can verify participation for those aesthetic or sports activities.
- Evaluation will be completed after all transcripts and documents are received.
- Cost: \$100 per evaluation can be paid through Zelle, Venmo or PayPal
