

**College in the High School
Information for students and parents**

What classes are available?

Not all courses listed below are available at every school. Contact your guidance counselor for information on course availability. To match the workload expectations of our students on campus, WCC requires that all CHS courses be completed within a single high school semester.

COURSE	TITLE	DESCRIPTION	PRE-REQs	CREDITS
MATH& 151	Calculus I	This course looks at the study of functions, limits, continuity, limits at infinity, differentiation of algebraic, exponential, logarithmic, and trigonometric functions and their inverses, and applications. Graphing calculator required.	MATH& 142 with a minimum grade of C. Students taking this class at the high school who meet local standards for placement into the first semester of Calculus are also eligible.	5
MATH& 152	Calculus II	The study of Riemann Sums, methods of integration, numerical methods, polar and rectangular forms, fundamental theorem of Calculus, areas of regions, volumes of solids, centroids, length of curves, surface area, and an introduction to differential equations. Graphing calculator required.	MATH& 151 at WCC with a minimum grade of C. Students taking this class at the high school who meet local standards for placement into the second semester of Calculus are also eligible.	5

Students learn to enter ongoing academic conversations, analyze and use secondary sources to formulate, develop, revise, and communicate ideas in writing, and shape their message to different purposes, audiences, and media.	None	5
ENGL 150	Introduction to British Literature	This course introduces students to English, Scottish, Irish and/or Welsh fiction, nonfiction, poetry, and plays, with an emphasis on critical understanding of the form, content and cultural contexts.	None	5

Required forms

To apply and register for College in the High School, download and return the CHS registration packet. Packets consist of the Registration and Enrollment Form, Parent/Guardian Acknowledgement Form, and online payment instructions.

Students who register for College in the High School establish a Whatcom Community College record and receive a student identification number (SID). All WCC students must adhere to the college's catalog policies, including grading, course withdrawals, and academic honesty. Information on the policies may be found in this packet and in Whatcom Community College's online catalog available at: <http://whatcom.edu/academics/course-catalog>

How to register

1. Students interested in College in the High School credit receive registration packets from their high school teachers or download them online.
2. Students submit the completed registration packet to the Whatcom Community College Registration Office to be enrolled in the class. Each student receives a student identification number (SID). Once the student receives an SID, payment must be made online or in person at the Whatcom Community College cashier.
3. Email confirmations are sent to the email address on the registration form.

Fees

The course fee is \$20.00 per credit (\$100.00 per five-credit course.) Payment plans and financial assistance are not available for CHS courses, unless arranged by the school district. Payment must occur by the deadline to receive college credit for the course.

Payment

You may pay online at: <https://www.ctc.edu/~whatcm/wccba/wccba.html> or on the WCC campus at the Laidlaw Center. You will need your SID and PIN. Your SID was provided at the time of enrollment. Please contact Registration if you have any questions. Your PIN is your six-digit birth date (MMDDYY).

Books and materials

Your high school will provide all textbooks and most supplemental course materials. Contact your teacher for a list of required books and materials.

Withdrawal

Students who withdraw from College in the High School courses before the deadline receive a W on their official Whatcom Community College transcript.

Pre-requisites and placement testing

Contact your teacher or guidance counselor to determine if your course has any required or recommended pre-requisites. Placement exams for math and English are available on the WCC campus. A testing fee may be required. Contact WCC advisors at 360.383.3080 for more information.
